AI Employee Onboarding

Client Discovery Questionnaire — Real Estate

Prepared for:

The Herk Group

Date:

24MAY2022

Thank you for choosing Rain Design Labs. This questionnaire helps us understand your real estate practice, workflow, and communication style so we can configure your AI Employee to work seamlessly alongside you.

Please fill out each section as completely as possible. If a question doesn't apply, just write "N/A." We'll review everything together on our setup call.

CONFIDENTIAL

Your responses are kept strictly confidential and used solely for configuring your AI Employee.
Never shared with third parties.
