Step 1: Open iCloud Mail Settings

Go to icloud.com in your web browser and sign in with your Apple ID.

Click on 'Mail' to open your iCloud email.

Click the gear icon (Settings) in the bottom left corner.

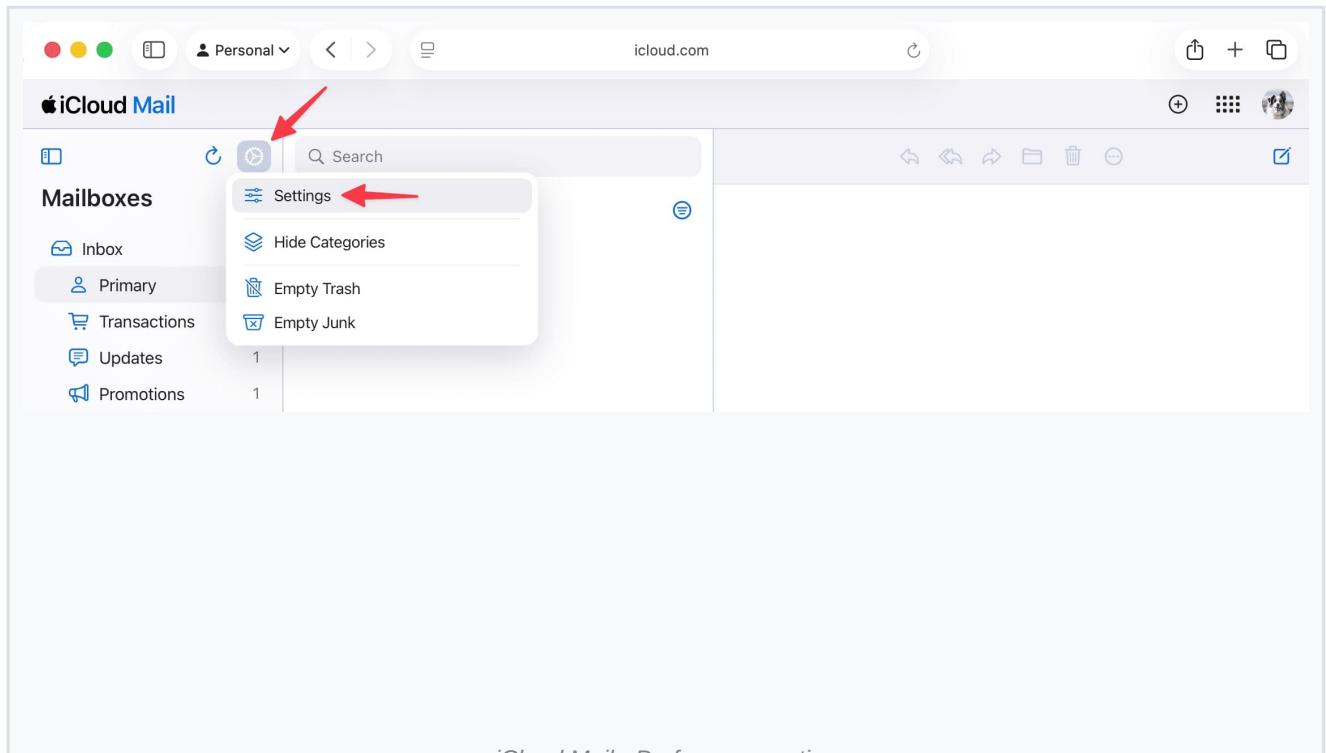

iCloud Mail - Settings gear icon

Step 2: Access Mail Settings

From the dropdown menu, click on 'Preferences'.

A settings window will open with tabs at the top.

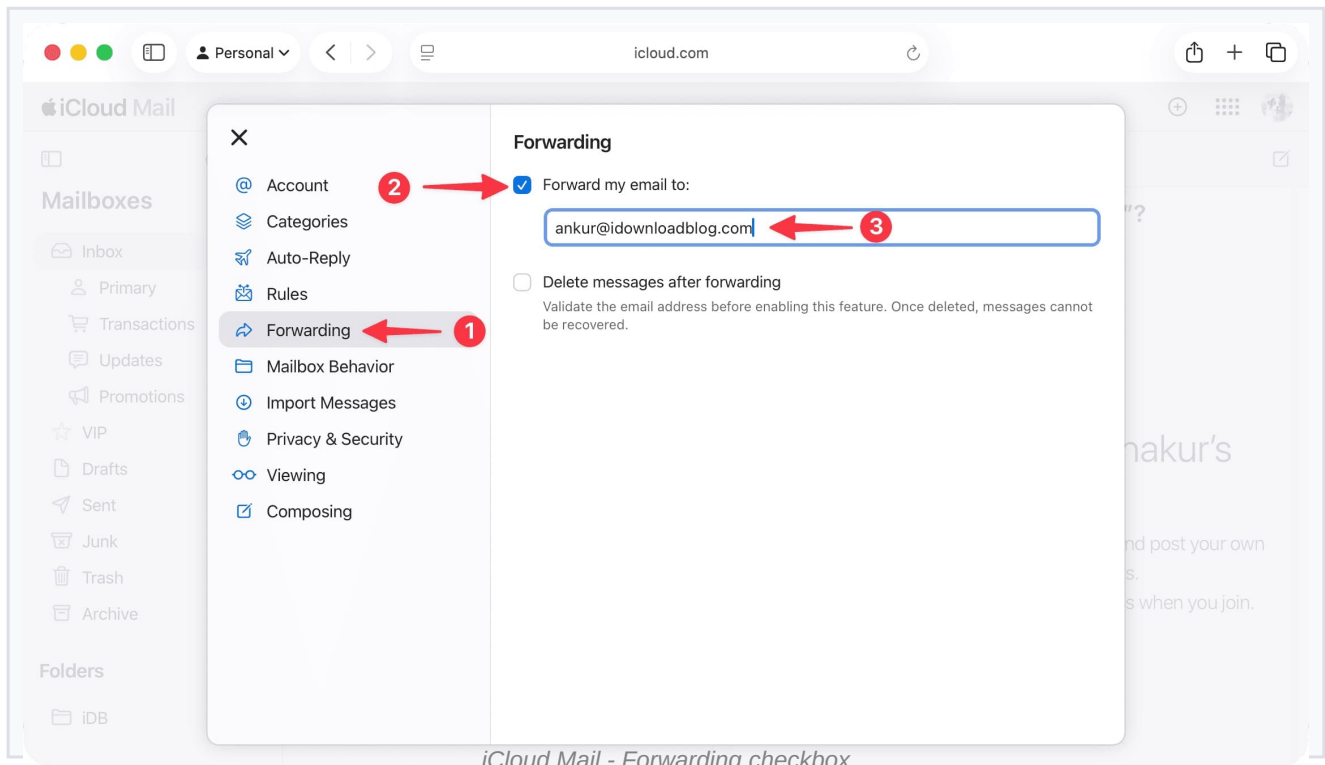

iCloud Mail - Preferences option

Step 3: Find Forwarding Option

Click on the 'General' tab (usually selected by default).

Scroll down to find the 'Forwarding' section.

You'll see a checkbox labeled 'Forward my email to'.

Step 4: Add Forwarding Address

Check the box labeled 'Forward my email to'.

A text field will appear. Enter this email:

assistant@raindesignlabs.net

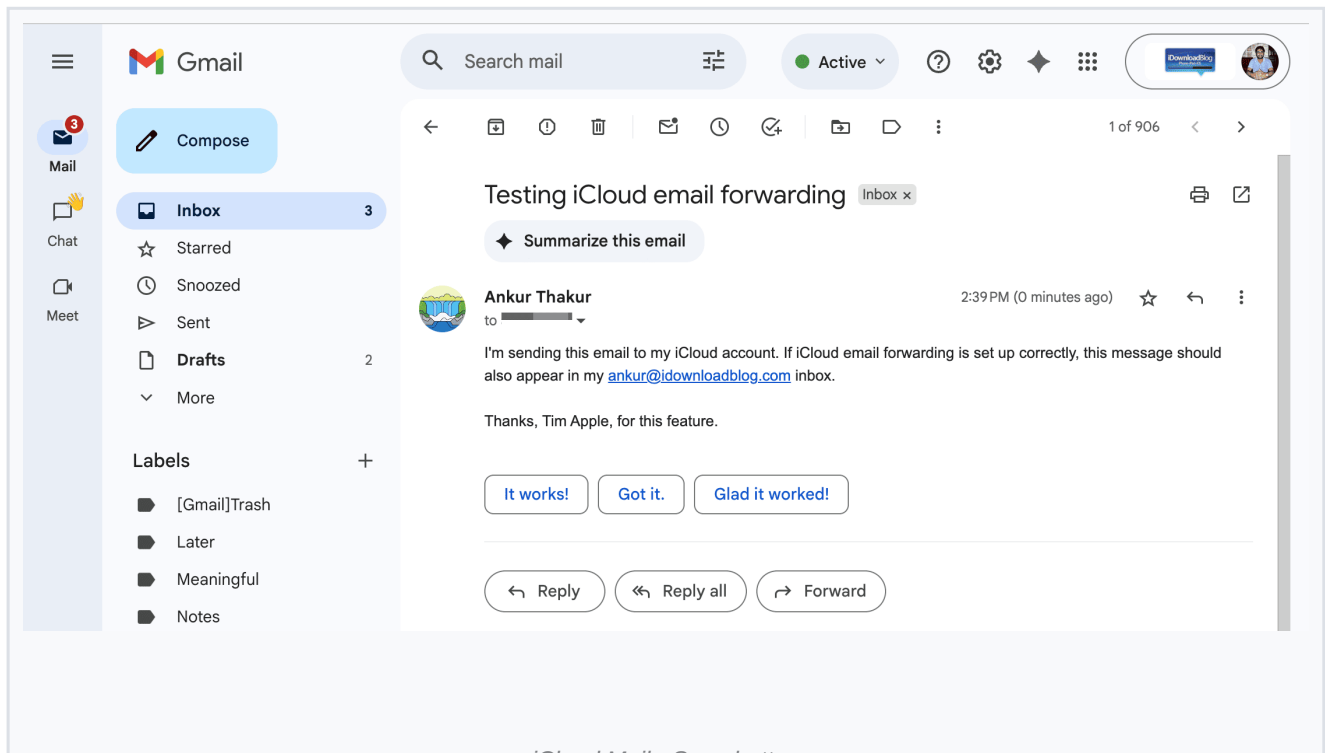

iCloud will send a verification email. We'll handle that on our end!

Step 5: Save Changes

Look for a 'Save' or 'Done' button in the settings window.

Click it to save your forwarding settings.

Your iCloud mail is now being forwarded to us.
