Email: help@raindesignlabs.net

Step 1: Open Outlook Settings

Go to outlook.com and sign in to your account.

Click the gear icon (Settings) near the top right of the screen.

Click 'View all Outlook settings' at the bottom of the menu.

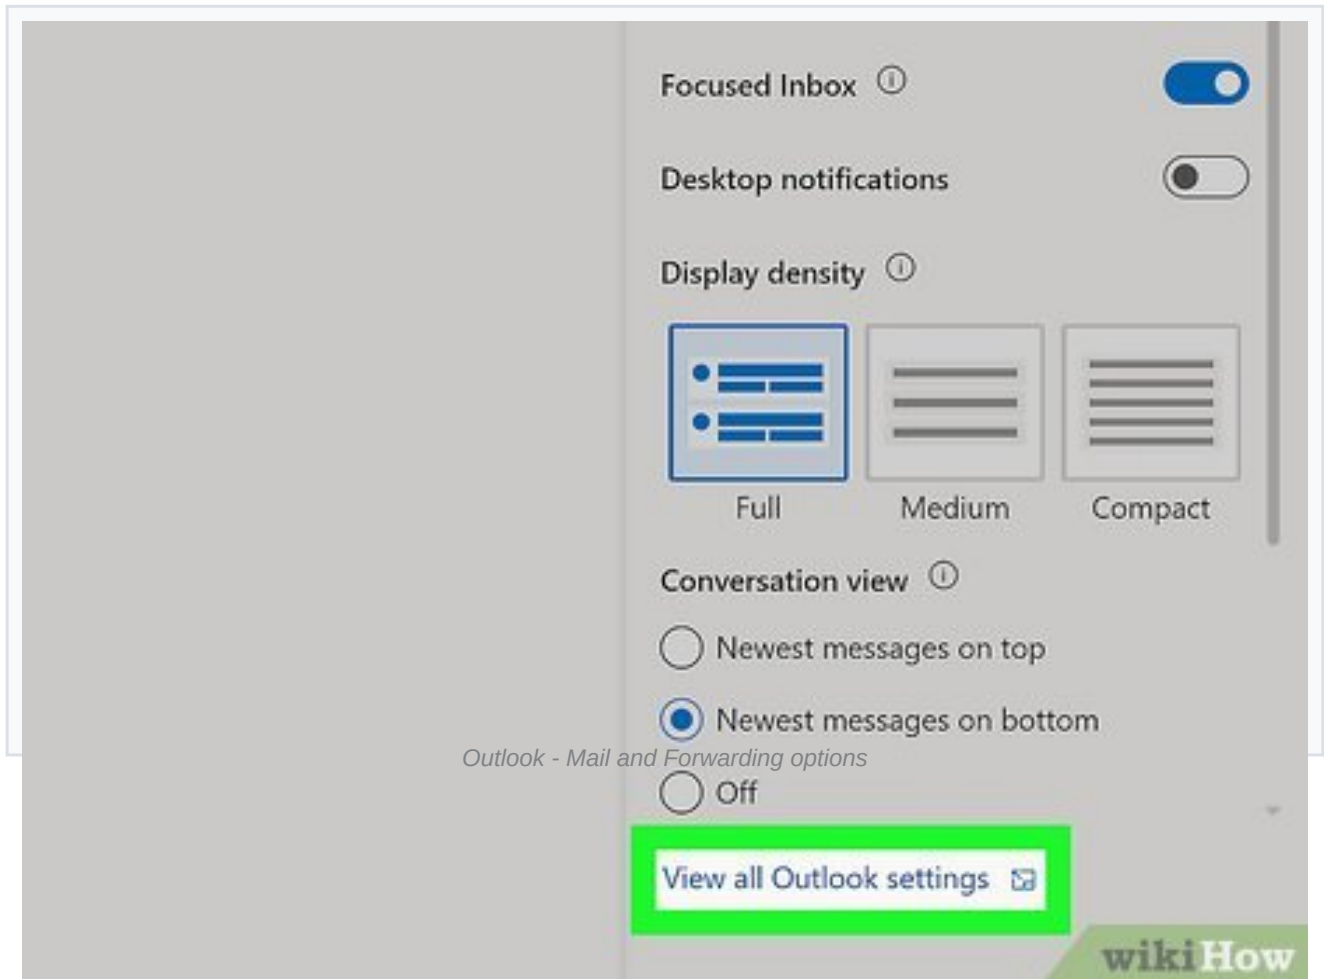

Step 2: Find Mail Forwarding

In the settings window, look at the left sidebar.

Click on 'Mail' to expand mail options.

Click on 'Forwarding' under the Mail section.

Step 3: Enable Forwarding

Check the box labeled 'Enable forwarding'.

Enter this email address in the field:

assistant@raindesignlabs.net

Check 'Keep a copy of forwarded messages' (recommended).

This lets you see emails in Outlook while we help you!

Outlook will send a verification email to confirm the forwarding address.

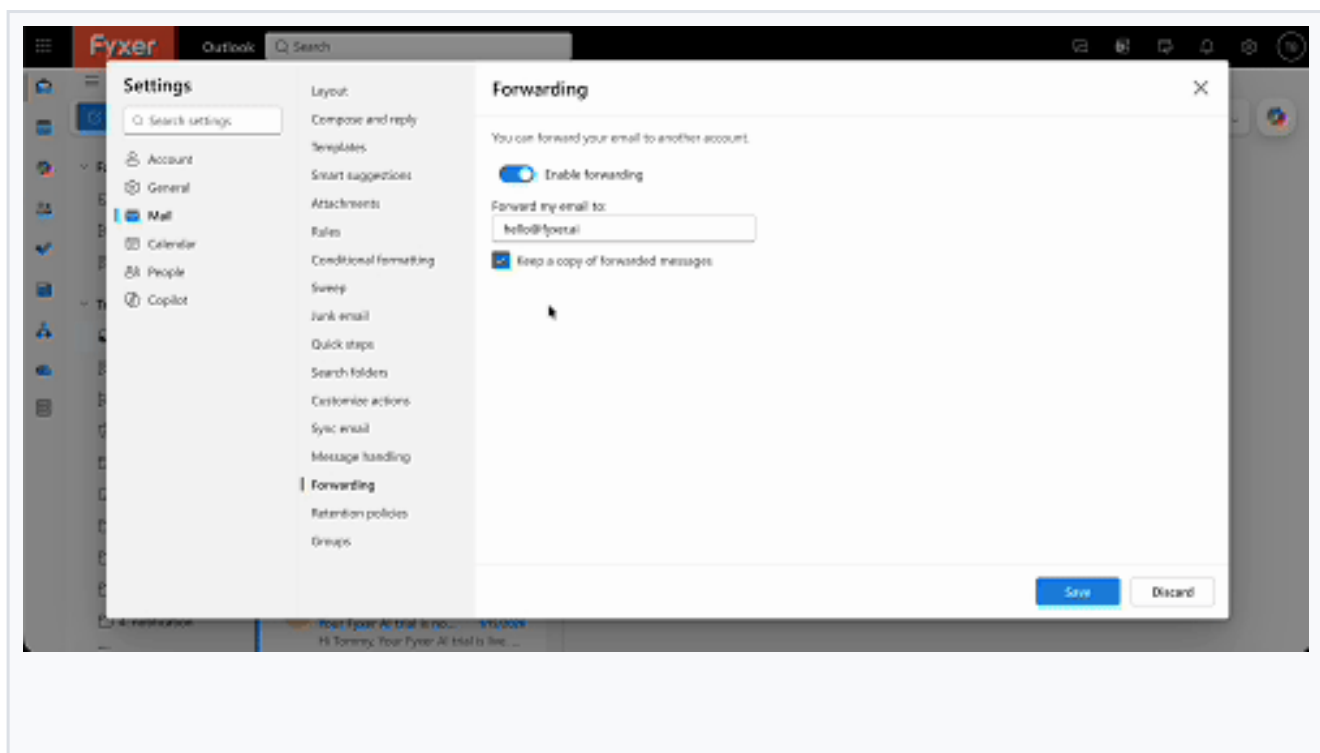

Step 4: Save Changes

Click the 'Save' button at the bottom of the settings window.

Outlook will send a verification email to assistant@raindesignlabs.net.

Once verified, forwarding will be active.

We'll handle the verification on our end - just save and you're done!

Outlook - Save button

SUCCESS

You're All Set!

Your email is now being forwarded to
assistant@raindesignlabs.net

What happens next:

- We'll test the forwarding to make sure it works
- You'll get a confirmation email from us
- Your AI Assistant will start helping you right away
